**Promotional Programming Terms:** Promotional pricing contingent on customer retaining television services at the programming level indicated with Giant Communications for a period of 24 months. An early termination fee up to \$480 may apply for disconnects or service downgrades prior to the 24 month period. Giant Communications reserves the right to charge current retail rates to delinquent accounts. **2-year Commitment Equipment Terms:** Equipment installed by Giant Communications will remain the property of Giant Communications. If the customer's service should be discontinued for any reason, the customer is required to return the equipment to Giant Communications. A charge up to \$400 will be applied to the final bill for each unreturned piece of equipment. During the contract term, Giant Communications will repair or replace defective equipment at no cost to the customer (excluding damages due to misuse or mishandling by customer). If the customer does not subscribe to the protection plus maintenance plan, costs of site visits by technicians may apply. Customers who choose not to enter into a service agreement will be asked to pay up front for the equipment; the customer will own the equipment and may be responsible for replacement of inoperable equipment.
